

Eleiko IWF Weightlifting Training Plate

15 kg

- ✓ Exceptional durability
- √ Patented ImpactDISC
- ✓ IWF Certified for Training

Eleiko IWF Training Plates set a new standard for performance and durability utilizing our proprietary SBR rubber, a new patented design that distributes impact force, and precision-engineered zinced steel hubs. The plates are thinner to support heavier lifts and designed with a rounded edge for easier handling.

Features

IWF Certified

Approved by the International Weightlifting Federation for training, verified by IWF logo.

Record Setting Lifts

Redesigned with a thinner profile to support athletes with record setting lifts.

Unmatched Durability

The new patented design and construction drastically improves plate longevity.

Easier to Handle

A bigger edge radius makes it easier to pick up the plate from the platform or floor and the grooved rim supports a firm grip for better handling.

Specifications

Unit of measurement

Sold individually

39 mm / 1.54 in.
