

#### GRIP MARKINGS

Bar features markings for powerlifting

#### KNURLING

An aggressive galvanised grip for full contact

#### DESIGNED FOR

Powerlifting and strength training

## MADE FOR STRENGTH

### STRONG BARS FOR STRONG PEOPLE

Combines the finest materials including our proprietary ultra-strong Swedish steel and resilient bronze bushings with details such as a perfected grip to create a bar ideally suited for powerlifting. This bar features our updated and refined knurling and our reengineered dustproof seal. The bar is engineered to withstand 1500 kg lifts, and can handle all the squats, presses and deadlifts you throw its way.
