

Eleiko Sport Training Plate

15 kg, black

Black Sport Training Discs feature an Olympic palette coloured stripe around the circumference and coloured raised lettering for easy weight identification. The plates are durable, versatile and ideal for general strength training. They are produced with our high tensile strength rubber that is damage and deformation resistant rubber and features an inset vulcanized hub so plates stay in great shape and perform for years to come. Plates are sold individually.

Features

Designed For

High performance strength training and conditioning

Secure Handling

Lipped edge around circumference for easy and safe handling

Durable Hubs

The rubber is vulcanised onto the metal hub for durability

Quick Identification

Olympic standard colours and white raised lettering facilitate quick and easy weight identification
